Eastern Wonders

Welcome to the United States

We wish to extend a hearty welcome to our international visitors and we wish you a pleasant stay in our beautiful country.

The attached offers you some general information about the tour itself, your scheduled itinerary, optional services, as well as some helpful hints concerning American customs. By observing these guidelines, we hope to make the tour as enjoyable as possible.

We know you have many choices for your travel plans but thank you for allowing AlliedTPro to be your trusted travel service provider.

HOTELS: It is sometimes impossible for the entire tour party to be lodged in the same hotel. On occasions when hotel substitutions are made, we assure accommodations in the best available alternative hotel of similar standard.

Hotels will maintain a separate account for any meals or personal expenses not included in the program. Please be sure to pay any additional expenses directly to the hotel before checking out.

PORTERAGE: Hotel portorage for 1 bag per person is included. Passengers with additional suitcases will be charged \$4 per bag per day for each additional bag which will be collected at tour departure.

SEAT ROTATION: The policy of AlliedTPro, for all our tours and on all our coaches, is daily seat rotation. In the attempt to treat all participants equally, we ask that all travelers kindly familiarize themselves with our system of seat rotation. Your tour escort will supervise these seat changes, which will be done once or twice per day allowing all travelers to fair seating.

SMOKING: No smoking is permitted on tour coaches. We ask that passengers kindly confine their smoking to the regularly scheduled rest stops.

LAVATORY: In the interest of all passengers, we request that the lavatory on the bus be used only in emergencies. Regular rest stops will be made and we encourage participants to use the lavatory facilities provided at these stops.

OPTIONALS: Additional excursions and services are offered to further enhance your tour experience. These services are offered on an optional basis for which you may choose to pay either by cash or credit card.

TIPPING: Unlike most other countries, tips and gratuities for those working in the service industry are not included in the prices. This enables the client to make a better decision about the quality of service received and about the compensation for the service provider. Tipping should accurately reflect the quality of the service rendered. We offer the following suggestions as tipping guidelines hoping that you will find them helpful

Hotel personnel, Porters	\$1.00 per suitcase

Waiters, waitresses	15-20% of the bill
Tour escort (per person)	\$4.00-\$6.00 per day
