Instructions for Traveler

Passengers: MRS DENISE E. AVERY, MR WAYNE A. AVERY

Passenger Instructions: FROM LOS ANGELES INTERNATIONAL AIRPORT (LAX) TO YOUR HOTEL, OFFICE OR HOME: Upon arrival at the airport, follow the signs to the baggage claim area and collect your luggage. Proceed to the outside curb and follow the orange overhead signs to the "Shared Ride Vans" loading zone. At the loading zone, present your voucher to a uniformed SuperShuttle Customer Service Representative for further assistance. Reservations are not required. Due to security considerations, airports do not allow vans to line up and wait for passengers at the curb. Once the SuperShuttle Representative has obtained your destination, they will have dispatchers route you with other passengers headed in your direction. The next available van will be dispatched from a nearby "holding lot" to pick you up, along with the others who have been assigned to your van whether they are waiting at your terminal or other terminals, and drop you off right outside your destination. Please expect a wait time while you are routed and assigned a van, and for your van to travel to your terminal. The wait time varies depending on the volume of passengers, the number of terminal stops, airport traffic and weather conditions. The SuperShuttle Representative will be able to give you an estimated wait time when you check-in. TO LOS ANGELES INTERNATIONAL AIRPORT (LAX) FROM YOUR HOTEL, OFFICE OR HOME: To schedule shuttle service to Los Angeles International Airport (LAX) from your hotel, office or home, simply call SuperShuttle Reservations at (800)258-3826 a minimum of 24-hours prior to your departure to arrange your pick-up time. Please tell the reservation agent you are holding a voucher issued by ATI, and present the original copy to the SuperShuttle van driver upon pick-up. Reservations are required. Pick-ups are carefully scheduled to ensure you make your flight in plenty of time. Once the SuperShuttle Representative has obtained your flight information, you will be given a 15-minute pick-up window. Please make sure that you are completely ready to go and waiting outside of your pick-up location at the beginning of your 15-minute window so that you do not keep other passengers waiting. Please expect to pick-up other nearby passengers who have been assigned to your van en route to the airport. SuperShuttle will drop all passengers off right outside their individual airline terminals. NOTE: The maximum amount of luggage allowed per person is one (1) carry-on and two (2) standard size suitcases. A \$10.00 per piece fee will be charged for any additional or oversized pieces. One voucher per person, or related party (up to 7 passengers maximum per voucher), must be presented EACH way.
