ITINERARY

DAY 1 MONDAY
New York City ▶ Niagara Falls
(393 m/632 km)

Discover the beautiful and varied scenery of "the other New York" on a leisurely drive through Pennsylvania and rural upstate New York. Early evening arrival at Niagara Falls.

DAY 2 TUESDAY
Niagara Falls ▶ Toronto ▶ Niagara Falls
(164 m/264 km)

This morning, depart for Toronto, where the orientation tour highlights this modern city with its glass skyscrapers, Skydome and City Hall. Then return to Niagara to experience the exhilarating Maid of the Mist cruise to the foot of Niagara's Horseshoe Falls (in winter months, explore the Scenic Tunnels behind the Falls instead). This evening, enjoy an optional dinner with a panoramic view of the falls beneath the evening sky.

DAY 3 WEDNESDAY
Niagara Falls ▶ Washington, DC
(432 m/691 km)

Early morning departure through Pennsylvania en route to Washington, DC. Time permitting, a stop will be made at an Amish market (except on Sundays when the market is closed). The Amish preserve the elements of late 17th-century European rural culture. Arrive in Washington, DC, the nation's capital, in the early evening.

DAY 4 THURSDAY
Washington, DC

The morning panoramic sightseeing tour is devoted to the landmarks and monuments of this great city: the White House, the Washington Monument, Arlington Cemetery and the US Capitol. Afternoon is free to explore one of the Smithsonian museums, such as the National Air and Space Museum.

DAY 5 FRIDAY
Washington, DC ▶ Philadelphia ▶
New York City (236 m/379 km)

Travel north to Philadelphia, the birthplace of American Liberty. Famous sights include the Liberty Bell and Independence Hall, where the Declaration of Independence was signed and the U.S. Constitution was written. Arrive in New York in the late afternoon.
