# Gone with the Wind tour

## **Optional excursions**

### Boone Hall Plantation and Gardens

Visit today one of the nations well preserved antebellum homes. Boone Hall was founded by Major John Boone. The land grant was given to him as a wedding gift from his father in-law. Today it reflects what life was all about in the 19th century. The avenue of Oaks was planted in 1743 and took close to 100 years to complete. This is a picture perfect image of the old south.
