Fly over the widest and deepest portion of the Grand Canyon - known as the most geographically dynamic region of the Grand Canyon. This tour offers amazing views of the Dragon Corridor, Colorado River, and exposed formations over a billion years old. This is the perfect South Rim helicopter tour for those wanting to save time and still see the Grand Canyon from a birds eye view. Fly in a comfortable, climate controlled helicopter with specially designed windows for optimum viewing.

Tour duration is approximately 25-30 minutes and departs from Grand Canyon Heliport. Passengers must make their own way to Grand Canyon Heliport (North Hwy 64 Grand Canyon, AZ 86023). Please arrive 30 minutes prior to tour departure time. Tour departs daily (except on Christmas Day) with morning, mid-morning and afternoon departures. Morning departures are from 8am-9am, 9am-10am and 10am-11am. Mid-morning departures are from 11am-12pm and 12pm-1pm. Afternoon departures are from 1pm-2pm and 3pm-4pm and 4pm-5pm.

North Canyon Tour: PGG-1: Please reconfirm your flight at least 24 hours prior to departure and confirm passenger's names and weights - 702-736-7243. All passengers 18 years of age and older must present government issued photo ID. You should identify yourself as an ATI passenger. Present your voucher at time of check in. No refunds if tour is cancelled within 24 hours.
