VACATION JOINING INSTRUCTIONS

Collect your luggage upon arrival at the airport. Locate your transfer voucher in your documents package. This voucher will have detailed instructions about your transfer from the airport to the hotel. Hotel rooms may not be available for check-in prior to 4:00pm. If arriving with pre-night accommodations, present your hotel vouchers to the front desk as payment for room and tax.

Please note: Guests who arrive prior to the trip start date or extend after the end of the trip, do not qualify for complimentary transfers. In these cases transfers must be purchased prior to traveling. Breakfast is not included on these days.

MEETING YOUR TRAVEL DIRECTOR

When arriving at the start hotel please register at the front desk and ask for your Welcome Letter. This letter will have useful information and helpful tips such as how to locate your Travel Director. Your Welcome Reception will be hosted by your Travel Director on Day 1 between 6:00pm and 7:30pm. If you are unable to find the Travel Director please check with the front desk for their location. Should you arrive after 7:30pm, you will be contacted by the Travel Director.

GRATUITIES

Gratuities for your Travel Director and Coach Driver are not included. Tipping these service providers is customary on all Trafalgar itineraries. If you feel that they have provided excellent service, we recommend a per day / per guest discretionary gratuity of \$6-\$7 USD/CAD for your Travel Director and \$4-\$5 USD/CAD for your Coach Driver.

Please Note: An option of pre-paying gratuities is available. Guests who have paid pre-paid gratuities with their booking will have a pre-paid gratuities voucher included in their travel documents and should submit that voucher to the Travel Director.

LUGGAGE ALLOWANCE

Baggage handling of one suitcase per person, at each hotel, is included in the trip price. Due to limited coach capacity, a single bag should have dimensions not exceeding 30"x18"x10" (76x46x25cm) and 62 linear inches (157cm) and weight not exceeding 50 lbs (23kg). Please note that some airlines restrict checked luggage allowance - check with your airline.

Carry-on/hand luggage is restricted to one piece per person, not exceeding 12"x11"x6" (30x28x14cm) in order to fit under your coach seat or in the small overhead compartment. Carry-on/hand luggage handling is the responsibility of each guest and must be taken on and off the motorcoach by you each day of the trip. Please note that carry-ons with telescopic handles and wheels will not fit in the overhead compartments or under seats and, therefore, cannot be accepted as carry-on luggage for safety reasons.

A charge of \$6 USD per traveling day will be collected by the Travel Director if a second piece of baggage is carried, or if the suitcase exceeds the established weight and/or dimensions. Please note that we cannot guarantee that more than one suitcase will be allowed onboard the coach. In these cases, the Travel Director will help make arrangements where your luggage can be stored or shipped as needed.

HEALTH INFORMATION

Guests are encouraged to check with consulates, local health boards, and their personal health provider for the latest health requirements and recommendations for immunizations and vaccinations prior to travel. Travelers are encouraged to consult with their personal medical provider before undertaking high altitude travel.

PASSPORT NOTICE / DOCUMENTS

It is the sole responsibility of each guest to ensure they have a valid machine-readable passport as well as any necessary visas. Some itineraries may require multiple-entry visas. Please be sure to check with your local consulate before you travel to confirm the specific and possible changes to passport and visa requirements for the country or countries you intend to visit. Fees apply and are not included in your Trafalgar trip. Further details are sent in this documentation. Guests traveling across any USA and/or Canadian border must be in possession of a valid machine-readable passport which must be valid at least 6 months beyond the conclusion of the trip.

IMPORTANT: Guests traveling from selected countries under the Visa Waiver Program (VWP) are required to complete an Electronic System for Travel Authorization (ESTA) application to confirm eligibility to travel to Canada and/or the USA under the VWP. For more information, please contact your Travel Agent or applicable government authorities to obtain necessary travel information. **In most cases these visas must be purchased in advance of your trip or you will not be allowed to enter the country.**

You can find out more about necessary visas to USA by visiting: <https://esta.cbp.dhs.gov/esta/>

You can find out more about necessary visas to Canada by visiting: <http://www.cic.gc.ca/english/visit/eta.asp>

GUEST SURVEYS

Toward the end of your trip, your Travel Director will ask you to complete a brief survey. This survey is critical as it helps us to identify how well we performed, continuing to improve our guests experiences and how to fulfill your future travel needs.

WI-FI AND CONNECTING WITH US

The on-coach Wi-Fi uses the 3G mobile phone network which means connection will be slower than standard broadband and at times may not be available. It's perfect for sending emails and keeping in touch, but not strong enough for streaming video or large photo uploads. Free Wi-Fi is also available in many of the hotels we stay in.
